INGRoup Doctoral Consortium 2019 Call for Participants!!

What: INGRoup proudly announces the Annual Doctoral Consortium, to be held immediately before the INGRoup conference in Lisbon! The aim of the consortium is to support the development of the next generation of interdisciplinary group researchers.

Who: 25 current PhD students who are members of INGRoup. If you are not currently a member, now is a great time to join INGRoup at the reduced graduate student rate, so that you can qualify for our consortium.

When & Where: The consortium will be held on Thursday, July 18, 2019 on the campus of Instituto Universitário de Lisboa (ISCTE-IUL). Agenda, location, and transportation details will be forwarded to confirmed participants prior to the consortium.

Interested? Apply now! Doctoral students at advanced stages of their degree programs will be given priority. Please submit the following items:

1. Your current CV
2. A letter of support from your PhD advisor explaining why you are at the right stage in your program to attend
3. We also have a limited number of spaces for a special luncheon program during the consortium. If you are interested in receiving feedback on a work-in-progress first author effort (e.g., dissertation, manuscript), you may submit a 5-page summary of your work in the area of groups or teams research. You will be put in a small group to briefly present your idea. Then you will receive feedback from a noted groups/teams scholar. Participation will be based on availability of expert scholars and is assigned on a first come, first serve basis.

If you have questions related to the consortium, please email Jennifer Nahrgang (jennifer.nahrgang@asu.edu). To apply for the consortium, please submit application materials through the following link: http://wpcareyschool.qualtrics.com/jfe/form/SV_1MPi1VkpcWqgeBT. Applicants are asked on the survey to confirm that, if invited to attend, you will be able to arrive in Lisbon on or before by July 17th so that you may attend the full day of activities on July 18th.

Key Dates:
April 30th: Deadline to apply
May 15th: Applicants will be notified if they are accepted to participate in the consortium

Funding: This event is being sponsored by INGRoup so there is no additional cost to attend the consortium and breakfast and lunch on July 18th will be covered. You must be registered for the Annual INGRoup Conference.

Sessions will include:
- Publishing High Impact Group Research: A Multidisciplinary Perspective
- A Career Studying Groups: A Chat with McGrath Award Winners
- Obtaining Grant Funding for Groups Research
- Teaching Groups and Teams
- Becoming an Assistant Professor: From Job Search to Transition

Faculty Participants are still being finalized, but currently include:

- Linda Argote, Carnegie Mellon University
- Dorothy Carter, University of Georgia
- Leslie DeChurch, Northwestern University
- Gerald F. Goodwin, Army Research Institute
- Lucy Gilson, University of Connecticut
